

SPECIAL WVCG EVENT

JOINT WVCG AND RSA RE-ENACTMENT

SATURDAY 21ST SEPTEMBER 2013

Members should all be aware by now that the Pichi Richi Troop Train event has been cancelled. This was a Disappointment for those of us who were intending to attend. But we will still be holding a joint re-enactment event with our friends of the RSA.

The event will be held in the Mt Crawford forest on Saturday 21/09/2013 for a day of combat. The theme will be France 1944, so we will all fit in, however the RSA are very sensitive regarding authenticity. So if we participate we must look the part, For Axis forces they suggest Luftwaffe Fallschurmjager coveralls. Captured Jeeps will be OK with captured markings.

It is suggested we be in the forest any time from 0800 Hr's. The battle commences at 0900 Hr's. We meet at the Cromer Campsite. The forest is booked until 1400 Hr's on Sunday so you can camp overnight on Saturday.
